Brief Details.

On 29may2023 at about 1145am, i was travelling along yishun ave5 and going to turn towards blk 101 carpark. Almost immediately, i felt an impact as i turned into carpark. Thus, i stopped just outside the entrance of the carpark in order to assess the damaged and check whether anyone is hurt. Upon alighting and checking the rear of the vehicle. I found a dent and scratch on the left rear of my vehicle.(GBK 4251J) While the bus SG 5126B had a slight dent on the front right of the vehicle. The driver of SG 5126B came down and escorted the remaining passengers onboard of the bus to alight. Then we exchanged our particulars and phone number and took some pictures of each other's vehicle.
