Dear Hsiao Tong,

Yes. From the car video footage, clearly the driver of SNC7827D did not STOP at the stipulated stop line.

Her car was clearly moving at all times until the point of contact with my vehicle.

Anyways, thank you for your help.

Rgds,
Edwin

Dear Sirs,

Thank you for your email.

We have received a copy of your car video footage from AIG. We have reviewed and based on our claim assessment, liability is down against third party.

In view of this, we will proceed to reject third party against your policy and close case.

No action is needed from your side.

Dear Hsiao Tong,

Good day to you.

i thought C&C told me that the other party surveyor already accepted the liability?

Now SNC7827D is claiming against my insurance policy?

Can i know -

1. What is she trying to claim?
2. Based on what evidence is she trying to claim against my policy?

Thank you.

Rgds,
Edwin
