Today at 15 June 2023 at 1805 hrs, I was driving (MID 33832) in Changi Naval Base at the wharf. I was moving straight along the wharf from Whiskey Tower (Block 109) going towards Romeo (Block 340) while doing my dinner prowl. While travelling along the wharf, I noticed a white minibus (PD6682) which was stationary along my left side and facing away from me. When I approached closer to him, the white minibus suddenly initiated a right U-Turn without indicating right signal, ~~moving into the space I was~~ and I was too late to completely brake and avoid him. I tried to steer to the right while pressing on the brakes but he still managed to hit my ~~front~~ front left passenger door. No one was injured at the scene. My front left passenger door was dented and not able to open properly. I am a driver for the Republic of Singapore Navy (RSN) under the unit Changi Defense Squadron (CDS) Landwards.

Figure D-1: Statement of TO

On 15 June 2023 at approximately 1805H, I was Vehicle Commander on MID 33832 in Changi Naval Base. I was doing the daily Seawards dinner prowl from Whiskey Tower (Blk 109) on the way to Romeo (Blk 340). On the way, the OUV was hit by a white minibus (PD6682) which was initially parked on the side of the road near Berth 2. Our OUV was moving at a constant speed on the road when the white minibus suddenly swerved right in an attempt to do a right U-turn. By the time our OUV saw that the minibus was swerving into our lane it was too late for us to completely brake to avoid him and he hit my left passenger door. The left passenger door was dented and unable to open fully. No one was injured at the scene.

Figure D-2: Statement of VC

TODAY 15 JUNE 2023 AT 1805HRS, I WAS DRIVING (PD6668Z) IN CHANGI NAVAL BASE AT THE WHARF. I WAS MOVING STRAIGHT TOWARDS U-S NAVY SHIP (OAKLAND) AND I SLOWLY PUTTING A STOP JUST TO CHECK AHEAD IF THERE IS ANY CREW AT THE SHIPSIDE. AFTER I SEE THERE IS NO CREW AHEAD, I MOVE OFF SLOWLY AND MAKE A RIGHT U-TURN WITHOUT <sup>SIGNAL</sup> CHECKING MY ~~BLIND~~ <sup>THE</sup> RIGHT BLINDSPOT MIRROR AND SUDDENLY I HIT A MILITARY VEHICLE (MID 33832) WHICH IS COMING FROM MY RIGHT SIDE. NO ONE WAS INJURED AT THE SCENE. I AM AWARE IT IS MY MISTAKE FOR NOT CHECKING THE BLIND SPOT. THE DAMAGE IS MORE ON MY VEHICLE. I AM ~~WORKING~~ <sup>AT</sup> A SUBCON FOR PARSH MARINE.
