front door.

From the mechanic's assessment, they had suspected that the person had scratched it from the rear to the front.

I had parked my vehicle at other locations during the time as well but the highest possibility is at Waterway point as the other location were mostly in secured area, and very short time period. Other most possibility would be at my usual parking at my house's vicinity located at 228D Compassvale walk S(544228) MSCP.
