**Brief Details.**

This report is lodged with reference to TP/IP/16491/2023.

On 09 June 2023, I had just finished dinner at Red Star Restaurant beside Manhattan House. I was sending my friend home at Opposite Mt Faber (Postal: 090005). I was driving towards a junction near St Teresa's Convent. I then realized another vehicle was coming close to me. I saw that he was driving erratically, and I remember that I had to swerve to my right. I did not feel or sense any collision between the other vehicle and mine. After the incident, I stayed stationary and let him go in front. I felt that there was no collision, and the other car did not horn or show signs that there was a collision. After that, we just went our separate ways. From my, experience I felt that accidents are settled on the spot.

I was not aware of this incident, until I received this letter. I did not save my camera recordings for that day.

After I received the letter at around 10 am on 22/06/2023, I conducted a check on my vehicle and found no new damages to my vehicle. (have photos)

I am lodging this report for record purposes according to the letter I received.
