No. of Days granted Medical Leave	NIL	Degree of Injury	NIL

Brief Details.

On 27/06/2023 about 1645hrs, my Comfort taxi (SHA2564B) was on stationary at the junction of Bedok North Avenue 4 towards Bedok North Road. I was on the left lane of the two lanes. There was another car (SNB3395P) on the right lane. Both our vehicles were on stationary as the traffic light was red and vehicles along Bedok North Road were moving. Suddenly about one or two minutes later, a van (GBG2379J) from my right side of Bedok North Road, hit on the center divider of Bedok North Avenue 4 and subsequently hit onto car, SNB3395P.

Due to the impact, car SNB3395P moved, and it hit onto the right portion (driver and passenger door) of my taxi. There was also another van (GBH8091T) that got hit by the van, GBG2379J but I am not sure how it happened as the said van was from Bedok North Road. There were police officers came down to the scene. I have an in-car camera in my taxi, and I have given the SD card to the traffic police.
