Sketch Plan

Describe Circumstances of the Accident

I was driving along Science Park road around 5:30pm on 26th June 2023 towards AYE / Normanton Park Condo. The weather was dry and road conditions normal as well.

A car turned into my lane slowly from the left side car park exit and was driving ahead of me. The car plate number is SLW 9870 H a blue color BMW car. The driver jammed all of a sudden to save a squirrel in front of that car and I tried to stop and save the collision from the back.

I managed to minimize the impact as I was driving slowly around 20-25 km speed only but still my right left side touched the left end of the bumper of BMW car.

Declaration

We declare the foregoing particulars are true in every respect.
