CONTINUATION OF REPORT

Brief Details.

On 09/07/2023 at about 1325hrs, I was travelling along the Punggol Road slip road merging into TPE. As there was heavy traffic there are about 3 cars stopped Infront of me. I also came to a stop, During the stop I felt a bang at the back of my rental car. Upon alighting I saw that there is a chain collision involving 3 cars. I then moved my vehicle to a road shoulder to avoid blocking other vehicles from passing. After the move I start to take photo and video of the accident. There was an tow truck that is at the location called for ambulance, However, traffic police were also activated. After the traffic police attended to me, I then drive my vehicle to the workshop for repairs.
