<p>I was driving along TPE after Punggol Way exit. It was raining and the traffic was heavy./ I was travelling at about 50km/hr and the front vehicles started to stop. I also came to a complete stop behind the front vehicle. The car behind me rear ended my vehicle and my car jolted forward. Both drivers got out of the car and he apologised that he was careless. We both exchanged information. His name is Austin Tomlinson and his hp is 86206155. His vehicle number is SLL6238L and it is a olive green colour Honda Vesel. I drive a SAF vehicle and it is a white Ford Mondeo. Car plate is SJR9453D/MID99. At the time of the incident there was no know injury to anyone.</p>
