## Brief Details.

I was travelling along PIE towards TUAS before Adam road exit on the 11 July 2023 at about 1835 hrs, I slowed down my vehicle, FBS9536M, due to slow moving traffic ahead. I felt a slight knock on my right rear end of my vehicle and caused me to fall off. As I was rolling on the road, I saw another vehicle, FBH 1010 Z, had also skidded past through me from the back to the center lane. As we were picking up our vehicles, he asked me if I know what had happened, was I ok and do I need any medical attention. I told him I felt either a swipe or bump on my rear right of my vehicle which caused me to lost control and fall. we did not manage to exchange particulars on scene due to heavy traffic and some minor injuries we sustained. LTA officer was on scene before I was cleared to ride off as my vehicle is able to move. Our particulars was being taken by the LTA officer on scene whilst I only manage to get his contact number, only later on at about 1903 hrs I receive his message from Whatsapp asking for my condition only then that I manage obtained his vehicle number. According to him, his vehicle is a property of Cisco and he was on his way for a delivery on time of the accident. Despite calling and texting him several times asking for his particulars
