Brief Details.

On 20th July 2023 approximately 0840hrs, I was driving my vehicle bearing the car registration plate of SH7678G with a passenger along Portsdown Rd. While driving pass the cross junction, a grey colored vehicle bearing the car registration plate of SJB1280Y front collided onto my right side of vehicle. After the collision, my vehicle began to spiral uncontrollably. I tried to regain control of my vehicle but to no avail. At one point, my vehicle stopped spiraling and went straight to the direction of forest. I mounted the curb at roadside before coming to a stop at the slope in the forest.

Traffic Police and ambulance were at scene and conveyed me along with my passenger to National University Hospital. I would like to state that I have an in-car camera that captured the whole incident and can be retrieved via liaising with Comfort Delgro Taxi.
